Dear Valued Provider,

Re: PURCHASING QUALITY CLAUSES

Axiom Materials, Inc. is committed to providing excellence in the quality of its materials, products and services while conforming to its customer's unique specifications and requirements and meeting on-time delivery goals.

Axiom Materials, Inc. aims to accomplish these objectives with strong leadership, a highly capable and empowered workforce, and partnering with best-in-class Providers. We recognize the very important role that our Providers in the supply chain have in the value we offer our customers.

To ensure that our Providers supply products and services to Axiom Materials, Inc. that meet our quality needs and performance expectations, we are transmitting to you the attached "Purchasing Quality Clauses for Axiom Materials, Inc. Providers (PUR-F-006 Rev NC)" document.

The objective of this PQC document is to clearly define all the necessary and applicable technical and quality requirements which the Provider is required to comply based on the materials, products, processing, and services being supplied to Axiom Materials, Inc.

Questions concerning the PQC document may be directed to your respective Axiom Materials, Inc. Buyer.

We look forward to your support as our partner.

Sincerely,

Rob Lewis

Quality Manager
